¹ All returns and fund details are a) based on Series F units; b) net of fees; c) annualized if period is greater than one year; d) as at April 30, 2018; e) 2001 annual returns are from 10/12/04 to 12/31/04. The index is 100% S&P/TSX Global Gold Total Return Index and is computed by Ninepoint Partners LP based on publicly available index information.

² Where applicable, all figures are annualized and based on monthly returns since inception. Risk-free rate and minimum acceptable rate calculated using rolling 90-day CDN T-bill rate. The rate of return or mathematical table shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the mutual fund or returns on investment in the mutual fund.

³ Top ten equity holdings, sector allocation, and geographic allocation as at April 30, 2018. Sector weightings calculated as % of net asset value. Numbers may not add up due to rounding. Cash and cash equivalents include non-portfolio assets and/or liabilities.

The Fund is generally exposed to the following risks. See the prospectus of the Fund for a description of these risks: commodity risk; concentration risk; currency risk; cybersecurity risk; derivatives risk; exchange traded funds risk; foreign investment risk; inflation risk; liquidity risk; market risk; securities lending, repurchase and reverse repurchase transactions risk; series risk; short selling risk; small capitalization natural resource company risk; substantial unitholder risk; tax risk; uninsured losses risk.

Ninepoint Partners LP is the investment manager to the Ninepoint Funds (collectively, the "Funds"). Commissions, trailing commissions, management fees, performance fees (if any), and other expenses all may be associated with investing in the Funds. Please read the prospectus carefully before investing. The indicated rate of return for series F units of the Fund for the period ended April 30, 2018 is based on the historical annual compounded total return including changes in unit value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
