AMENDMENT NO. 1 DATED OCTOBER 8, 2026

TO THE SIMPLIFIED PROSPECTUS DATED JUNE 24, 2025

(the Simplified Prospectus)

in respect of:

NINEPOINT GLOBAL SELECT FUND
(Series A, Series F, Series P, Series PF, Series Q, Series QF, Series I, Series D and ETF Series)

(the Fund)

Unless otherwise specifically defined, the terms used in this amendment have the meanings given to those terms in the Simplified Prospectus.

I. Introduction

The Simplified Prospectus is hereby amended to provide notice that the Manager proposes to introduce a fixed administration fee, replacing the current variable operating expenses being charged to the Fund (the **Administration Fee Proposal**). Currently, each series of units of the Fund is responsible for its proportionate share of the operating expenses of the Fund in addition to the expenses that it alone incurs. The Manager is proposing to pay the operating expenses of the Fund other than certain expenses described below as "Fund Costs", in exchange for the payment by the Fund of a fixed administration fee of 0.30% with respect to each series of the Fund.

The Manager has called a special meeting of the voting unitholders of the Fund to be held on or about November 19, 2026 for unitholders of record as of October 2, 2026 to consider and approve the Administration Fee Proposal. Details of the Administration Fee Proposal will be sent to investors in the Fund who are entitled to vote, and also to those not entitled to vote. If the requisite approvals are obtained, it is expected that the Administration Fee Proposal and corresponding changes described below will be implemented effective after the meeting on or about January 1, 2027.

The Independent Review Committee has reviewed the potential conflict of interest matters related to the Administration Fee Proposal and has provided a positive recommendation with respect to whether the Administration Fee Proposal, if implemented would achieve a fair and reasonable result for the Fund.

II. Technical Amendments to the Simplified Prospectus

The following technical amendments are made to the Simplified Prospectus to reflect the changes:

a) The following new row is added immediately below the row entitled "Operating Expenses" in the table entitled "Fees and Expenses Payable by the Fund" under the heading "Fees and Expenses" on page 24 of the Simplified Prospectus:

Proposed Introduction of Fixed Administration Fees	On September 28, 2026, the Manager announced its intention to introduce a fixed administration fee for each series of the Fund (the "**Administration Fee Proposal**"). Pursuant to the Administration Fee Proposal, the Manager is proposing to pay, for each series of the Fund, all of the operating expenses

	(including for services provided by the Manager), except for certain fund costs described below (the "**Fund Costs**"), in exchange for the Fund's payment to the Manager of a fixed rate administration fee of 0.30%, and applicable taxes including HST (the "**Administration Fee**"). If implemented, the Administration Fee will be calculated and accrued daily and will be paid on the last day of each month based on the daily net asset value of the series of the Fund. The Manager has called a special meeting of the voting unitholders of the Fund to be held on or about November 19, 2026 for unitholders of record as of October 2, 2026 to consider and approve the Administration Fee Proposal. If the requisite approvals are obtained, it is expected that the Administration Fee Proposal and corresponding changes described below will be implemented effective after the meeting on or about January 1, 2027. If the Administration Fee Proposal is approved and implemented, the Manager will not be obligated to pay any: (i) increased expense, cost or fee arising from government or regulatory requirements relating to such expenses, costs or fees, or (ii) types of operating expenses that were not commonly charged in the Canadian mutual fund industry implemented following November 19, 2026. If the Administration Fee Proposal is approved and implemented, Fund Costs (which are not covered by the Administration Fee) will include the following: • interest or other borrowing expenses • fees and expenses of the IRC, including member fees of the IRC, costs and fees in connection with the operation of the IRC (including the costs of holding meetings, insurance premiums for the IRC, and fees and expenses of any advisers engaged by the IRC) • taxes of all kinds to which the Fund is or might be subject • portfolio transaction costs, including brokerage commissions and other securities transaction-related expenses, including the costs of derivatives and foreign exchange transactions • extraordinary expenses • any operating expenses incurred outside the ordinary course of the Fund's business Each series of units of the Fund will be responsible for its applicable share of Fund Costs in addition to the expenses that it alone incurs. The operating expenses borne and payable by the Manager in exchange for the Administration Fee will include: • audit and legal fees and expenses • custodial, registrar and transfer agency fees • costs attributable to the issue, redemption and change of securities, including the cost of the securityholder record keeping system

	• expenses incurred in respect of preparing and distributing prospectuses, fund facts, ETF facts, financial reports and other types of reports, statements and investor communications • fund accounting and valuation costs • administrative costs and trustee services relating to registered plans • filing fees, including those incurred by the Manager • stock exchange and index licensing fees and CDS fees, if applicable The Administration Fee paid to the Manager by the Fund in respect of a series may, in any particular period, exceed or be lower than the operating expenses the Manager actually incurs in providing services for that series of the Fund. Administration Fees are subject to applicable taxes. The Manager may, in certain cases, waive a portion of the Administration Fee that it receives from the Fund or from certain series of the Fund. As a result, the Administration Fee payable by the Fund or a series of the Fund to the Manager may be lower than 0.30%. The Manager may, in its sole discretion, suspend or cease to offer any waiver of the Administration Fee at any time without notice to unitholders.
