**Ninepoint Partners LP, as the Manager of each Fund, recommends that unitholders of each Fund vote FOR the proposed investment objective changes.**

As required by National Instrument 81-107 *Independent Review Committee for Investment Funds*, the Manager presented the terms of the proposed investment objective changes to the Independent Review Committee (IRC) for its review. The IRC gave the Manager a positive recommendation regarding the proposed investment objective changes advising that, after reasonable inquiry, the IRC was of the opinion that the proposed investment objective changes, if implemented, will achieve a fair and reasonable result for each Fund.
