WHAT ARE YOUR LEGAL RIGHTS?

Securities legislation in some provinces and territories gives you the right to withdraw from an agreement to buy ETF Units within 48 hours after the receipt of a confirmation of a purchase of such securities. In several of the provinces and territories, the securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, revisions of the price or damages if the prospectus and any amendment contains a misrepresentation, or non-delivery of the ETF Facts, provided that the remedies for rescission, revisions of the price or damages are exercised by the purchaser within the time limit prescribed by the securities legislation of the purchaser's province or territory.

We have obtained relief from the requirement in securities legislation to include an underwriter's certificate in the prospectus. As such, purchasers of ETF Units will not be able to rely on the inclusion of an underwriter's certificate in the Simplified Prospectus or any amendment for the statutory rights and remedies that would otherwise have been available against an underwriter that would have been required to sign an underwriter's certificate.

You should refer to the applicable provisions of the securities legislation of the province or territory for the particulars of these rights or consult your lawyer.
