**!** Don't buy this Fund if you need a steady source of income from your investments.

**A WORD ABOUT TAX**

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live, the type of earnings (i.e., income or capital gains), and whether or not you hold the Fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your Fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

**HOW MUCH DOES IT COST?**

The following tables show the fees and expenses you could pay to buy, own and sell Series I units of the Fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other series, funds and investments that may be suitable for you at a lower cost.

**1. Sales Charges**

There are no sales charges or commissions payable to your representative’s firm for Series I units of the Fund.

**2. Fund Expenses**

You don’t pay these expenses directly. They affect you because they reduce the Fund’s returns.

The Fund’s expenses are made up of the operating expenses and trading costs. Fund expenses of this series have not been provided because no units of this series are currently outstanding.

**More about the trailing commission**

The trailing commission is an ongoing commission. It is paid for as long as you own the Fund. It is for the services and advice that your representative and his or her firm provide to you.

Ninepoint Partners LP may pay a trailing commission to your representative’s firm. The rate is negotiated by Ninepoint Partners LP and your representative’s firm and ranges from 0% to 1.00% of your investment each year (\$0 to \$10.00 each year on every \$1,000 held).

**3. Other Fees**

You may have to pay other fees when you buy, hold, sell or switch units of the Fund.

FEE	WHAT YOU PAY
<b>Incentive Fee</b>	Investors in Series I units may negotiate an incentive fee that is paid to Ninepoint Partners LP outside the Fund. This fee would not exceed 10% of the amount by which the return of the series exceeds the return of the S&P/TSX Global Gold Total Return Index, multiplied by the net asset value of the series. If the performance of the series in any year is less than the performance of the index (the “Deficiency”), then no incentive fee will be payable in any subsequent year until the performance of the series, on a cumulative basis, has exceeded the amount of the Deficiency.
<b>Management Fee</b>	The series’ annual management fee is negotiated by the investor and paid outside the Fund. It would not exceed 2.50%.
<b>Switch Fee / Reclassification Fee</b>	A fee of 0-2.0% of the value of the units you wish to switch or reclassify may be charged by your representative’s firm, as negotiated with your representative.
<b>Short-Term Trading Fee</b>	Ninepoint Partners LP may impose a short-term trading fee payable by the unitholder to the Fund of up to 1.5% of the aggregate net asset value of the units redeemed if such units are redeemed or switched within 20 days of purchase or switch. For purposes of this short-term trading fee, units will be considered to be redeemed on a first-in first-out basis. If Ninepoint Partners LP detects excessive trading of the unitholder’s units in the Fund within 90 days of purchasing or switching them, it reserves the right to charge an additional 3.0% of the net asset value of the units.
<b>Registered Tax Plan Fees</b>	No fee is charged to open, close or administer a registered tax plan administered by Ninepoint Partners LP. However, for other registered tax plans holding other investments in addition to securities of a Ninepoint mutual fund, an annual trustee fee may apply payable to the administrator of the plan.
