WHY THIS FUND

1 Diversification Across Global Markets

Exposure to various countries, industries, and currencies reduces risk associated with single-region or single-sector concentration.

2 Income Stability and Predictability

Investments focus on financially stable, mature companies with consistent dividend payouts, providing reliable income streams.

3 Potential for Capital Appreciation

Investing in financially strong dividend-paying companies also provides opportunities for long-term capital growth alongside income generation.

Morningstar Ranking/Number of Funds in Category displays the Fund's actual rank within its Morningstar Category based on average annual total return and number of funds in that Category. The ranking is subject to change every month.

The Morningstar Risk Adjusted Return (MRARs), commonly referred to as the Star Rating, relate the risk-adjusted performance of a fund to its peers with the same CIFSC Fund category for the period ended as noted and are subject to change monthly. Morningstar calculates ratings for categories with at least 5 funds. To determine a fund's rating, the fund and its peer are ranked by their MRARs. If a fund scores in the top 10% of its category, it receives five stars (High); if it falls in the next 22.5%, it receives four stars (Above Average); the next 35% earns a fund three stars (Neutral or Average); those in the next 22.5% received two stars (Below Average); and the lowest 10% received one star (Low). The overall rating is a weighted combination of the 3, 5 and 10 year ratings. For greater detail, see morningstar.ca.
