## WHY THIS FUND

### 1 Income Diversification

Provides a differentiated income stream via put option premiums to complement traditional income portfolios.

#### How Does Cash Secured Put Selling Generate Income?

### 2 Defensive Equity Income Strategy

Put selling strategies are generally uncorrelated with equity markets, providing higher potential for positive risk adjusted returns in periods of poor market performance.

#### Put Selling Strategies in Challenging Markets

## FUND OBJECTIVE

The investment objective of the Ninepoint Target Income Fund is to seek to provide unitholders with stable, monthly distributions and lower volatility than a direct investment in the broad equity markets by investing primarily in a diversified portfolio of equity index based investments that generates income and using derivatives strategies to moderate the market volatility of those investments.

<sup>1</sup>All returns and fund details are a) based on Series F shares; b) net of fees; c) annualized if period is greater than one year; d) as at January 31, 2026.

Where applicable, all figures are annualized and based on monthly returns since inception. Risk-free rate and minimum acceptable rate calculated using rolling 90-day CDN T-bill rate. The rate of return or mathematical table shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the mutual fund or returns on investment in the mutual fund. Top ten holdings and sector allocation as at January 31, 2026. Top ten holdings based on % of net asset value. Sector allocation based on % of net asset value. Numbers may not add up due to rounding. Cash and cash equivalents include non-portfolio assets and/or liabilities.

The rate of return is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the investment fund or returns on investment in the investment fund.

The monthly distribution amount may be adjusted by the Manager without notice throughout the year as market conditions change. Monthly distributions will be comprised of net income, net realized capital gains and/or return of capital. Any net income and/or net realized capital gains earned by the Fund in excess of the monthly distribution will be distributed to unitholders annually in December.
